Handcrafted Style Designed to Last

Luxury, Tailored to You

At Orthopure, every bed is made to order in our Yorkshire factory, where craftsmanship, comfort, and considered design come together. From the first sketch to the final stitch, each piece is shaped around how you live, rest, and unwind.

Choose from fabrics, finishes, and details that feel right for your home. Whether your style is calm and minimal or rich and expressive, your bed is made with care, skilled craftsmanship, and pride.

Because true luxury isn't rushed.
It's crafted.

The Grand Regent

A classic sleigh bed with a gently curving form. The Grand Regent draws inspiration from traditional design, bringing a sense of familiarity and comfort while remaining refined and current. An enduring and timeless furniture piece.
